

LIVERPOOL SCHOOL OF TROPICAL MEDICINE & LIVERPOOL ASSOCIATES IN TROPICAL HEALTH

Short Course in International Health Consultancy

Calling all emerging national, regional and international consultants

Enhance and improve your professional knowledge and skills in the provision and management of consultancy services within the context of international health. This three week intensive course will enable you to deliver work that is:

- robust
- evidence-based
- grounded in the reality of resource-poor settings

Learning Outcomes

- Understand the context of key global initiatives in international health
- Demonstrate the skills required to work as a consultant
- Describe the international health consultancy process and its management
- Deliver successful consultancies

Course Dates:

24th August – 11th September 2009
10th – 28th May 2010
